DE LA DÉSINFORMATION À LA RÉSILIENCE : COMMUNICATION DE CRISE ET RÉSOLUTION DES CONFLITS

6th Edition : From Disinformation to Resilience: Crisis Communication and Conflict Resolution. International conference organized : the Faculty of European Studies – Babe-Bolyai University ; the Centre for African Studies – Babe-Bolyai University ; the uOttawa-IBM Cyber Range ; Université de Versailles Saint-Quentin-en-Yvelines ; the Centre for Europe at the University of Warsaw ; the Border and Regional Studies Network CEEPUS ; Euronium Brussels.

In a context of growing disinformation, polarization, and complex crises, strengthening resilience through effective crisis communication and conflict resolution has become more important than ever. In order to address these challenges, this international conference aims to support academics, researchers, PhD and postgraduate students, by offering them the opportunity to present their latest research results in the fields of:

- Crisis and Risk Communication
- Conflict Transformation and Resolution
- Political Communication
- Institutional and Corporate Communication
- Journalism and Media Literacy
- Disinformation, Misinformation, and Fake News

- Information Warfare and Hybrid Threats
- Civic Engagement, Democratic Resilience, and Social Cohesion
- Cybersecurity and AI in Crisis Communication
- Environmental and Climate Change Communication
- Discourse Analysis
- Education and Learning
