

UNIVERSITÉ DE  
VERSAILLES  
ST-QUENTIN-EN-YVELINES

université PARIS-SACLAY

## INTERNATIONAL PROGRAMS

As part of its mission to provide a dynamic education and environment to its students and faculty, UVSQ has developed a system of international agreements and partnerships.

With partner institutions around the world, UVSQ's students, faculty, researchers and staff have the opportunity to go abroad while the university welcomes their counterparts in France.
