CHOOSEFIRST

Social Event @ NeurIPS Paris ''ChooseFIRST - Choose France International Research & Science Talent''. Palais des Congrès (salle Passy) - 2, Place Maillot - Paris - 7pm-9pm (France), 10 Dec 2026.

NEURIPS PARIS SOCIAL

ChooseFIRST

Find your next research opportunity in France

Machine learning, data science & statistics

Thursday, 10 December 2026

19:00–21:00 CET

Palais des Congrès · Salle Passy

PROVISIONAL PROGRAMME

Research career pathways

Gabriel Peyré, Christophe Biernacki and Fatiha Saïs

Career stories from researchers

Chen Liu, Federica Granese and Hugo Cui

Open discussion & networking

Ask questions and meet fellow researchers

Register and ask questions
choose1rst.sciencesconf
Open to all NeurIPS participants
Free registration · Register before 4 December for catering

Join us for **ChooseFIRST**, a NeurIPS social dedicated to discovering the French research ecosystem in statistics, data science, machine learning and AI, organized by SFdS, SFC, EGC and SSFAM.

Meet researchers and representatives from French academic and research institutions, explore career opportunities in France, and connect with the international scientific community.

- **December 10 2026, 7pm to 9pm**
- NeurIPS 2026

More information and registration: https://choose1rst.sciencesconf.org/?lang=en

[French version]

Participez à **CHOOSEFIRST,** un événement social de NeurIPSconsacré à la découverte de l'écosystème français de recherche en statistique, science des données, apprentissage automatique et intelligence artificielle, organisé par la SFdS, la SFC, EGC et la SSFAM.

Rencontrez des chercheurs et des représentants des institutions françaises, découvrez les opportunités de carrière en France et échangez avec la communauté scientifique internationale.

- 1**0 Décembre 2026, 19h-21h**
- NeurIPS 2026
