COMING TO UVSQ

Prepare your arrival in France

To prepare for your installation and your year at university and to avoid any disappointment, check the cost of living on your campus !

» Consult the informations

Coming to do an internship at the UVSQ

» Would you like to do an internship at the UVSQ? Consult the application procedures and formalities

Coming to the UVSQ for individual mobility

» You are a student from the European Union, Iceland, Lichtenstein or Norway: your procedures are the same as for French students

» You are not a national of the EU, Iceland, Lichtenstein or Norway: see the application procedure. If you have a French secondary or higher education diploma, your procedures are the same as for French students

Coming to the UVSQ on an exchange programme

The UVSQ has concluded cooperation agreements with more than 200 partner universities throughout the world in order to develop student exchanges. More than a hundred students take part in an exchange programme at the UVSQ every year.

» How to participate in an exchange programme?

Coming to the UVSQ to learn French

» The Centre d'études et de ressources en langues (CEREL) offers, throughout the year, French courses for an international audience.
