INTERNATIONAL SYMPOSIUM "WOMEN'S FINANCIAL EMPOWERMENT IN RURAL AFRICA" SOCIOLOGICAL APPROACHES

Conference organised by the PRINTEMPS laboratory, the University of Moundou and the MSH Paris-Saclay.

January 29, 30 and 31, 2026

[University of Moundou, Chad](#)

"Women's financial empowerment, understood as increasing their access to economic resources and the decision to use them, can become a means of reducing gender inequalities. In rural Africa, a number of indicators suggest that women are gaining

greater access to economic resources than in the past.

Papers presented at the conference will focus on the reconfiguration of gender relations influenced by financial empowerment situations for women.
