PREPARE YOUR ARRIVAL IN FRANCE

To prepare for your installation and your year at university and to avoid any disappointment, check the cost of living on your campus !

The resources required to obtain a VISA have been calculated to allow you to successfully complete a year of study in France. Student accommodations are in high demand in the Paris region; having savings will greatly facilitate the process of dealing with landlords.
Declaring resources that you don't have means taking the risk of being homeless.
A student job depends on the procedures with the prefecture (it can take several months).

ACCOMMODATION

RENTAL ACCOMMODATION

- Student rooms: between €300 and €550 / month
- Studios / apartments : from €350 / month

Having a monthly income reassures the landlord and makes it easier to find a rental.

Condition varies according to the type of accommodation (furnished or not)

- Charges not included (water / electricity / gas)
- Booking fees / file
- Security deposit (1 to 2 months rent excluding charges) + deposit to be provided
- Insurance (civil liability) from €5 / month

TEMPORARY ACCOMMODATION

- Hotel : from €40 per night
- Airbnb : from €36 per night

Must be of short duration or your savings will be greatly a ected.

Additional services (catering, private access...)

Staying with a relative can be a temporary solution (be sure you can count on your host so you don't find yourself in trouble).

Transportation time in the Île-de-France region is also a variable to be taken into consideration. It takes an average of 1 hour to travel.
